I would suggest a letter like the attached to Mr. Weisberg. Am I correct in saying that he has a copy of the Kennedy deed of gift?

I understand that Marion Johnson has some material in response to earlier requests from Mr. W. You may wish to modify this letter and send along the other materials also.

Before this letter is sent, I would like to telephone Burke Marshall and let him know what we are saying, which I promised to do the last time I spoke to him. I'll keep a copy here; could you telephone me at your convenience?
